Passion for God - Passion for People

Discipling, Serving & Growing Together in Christ

February 25, 2011

Observing the world events on the evening news or on the internet can sometimes leave you discouraged and wondering if there is any good news left out there. The simple answer is, yes, there is wonderful good news! The good news is Jesus! God sent His son. His name is Jesus (Yeshua- God Saves). Because of His love, we don't have to fear the events we see happening before us. In the Psalms, the writer asks the same question we as modern people often ask as we look at the changes and earth shaking daily events. "Why do the nations rage and the peoples plot in vain? The kings of the earth take their stand and the rulers gather together against God and against His Anointed One." Psalm 2:1, 2 The world in ancient times as well as in ours, may seem to be out of control, but the psalmist knew (and we need to be reminded), that God is still on His throne. This is the best news of all as we face uncertain times. As the Psalmist reminds us, "Blessed are all who find refuge in the Lord." Trust in the Lord, He is our refuge and unmovable Rock in uncertain times.
